

Know Before You Go: Sasquatch Museum and Visitor Centre

What to Expect: Visitor Centre

We look forward to welcoming you back to our Visitor Centre and Sasquatch Museum. We ask that you follow Provincial and Federal guidelines when thinking about travel, and for now, #explorebclocal.

Please Follow the Instructions from Our Staff

Capacity: We will be limiting the number of guests in our Visitor Centre, to 2 people or 1 family unit at a time. If the door is locked, please knock, and we will assist you when available. We ask that you practice safe social distancing both in the Visitor Centre and outside while waiting.

Indoor Brochures and Guides: Please only take a brochure if you intend on keeping it. We ask that if you change your mind about a brochure, please place it in the recycling bin provided.

Outdoor Guides: If you simply require a Harrison Hot Springs Visitor Guide, Hiking guide or map, we will have those resources available for you outside. We will maintain these displays regularly but cannot guarantee the display has been wiped down in between use. Please utilize the sanitizer in between use.

For a completely touchless experience, download our free **Tourism Harrison App**.

Washrooms: Washrooms will be regularly maintained, if you have any additional concerns please speak to our Visitor Information Councillor.

Rules:

1. Please follow the footprints and "Please Wait Here" signage
2. We ask that you use the sanitize station before and after your visit
3. Please only touch what you will take with you. If you change your mind, please put your brochure in the recycling container.
4. You must comply with the guidelines set out by the Provincial Health Officer. If you are sick, have been in contact with someone who is sick or have symptoms of illness, please stay home, and explore when you are well.
